

SUPERIOR QUALITY BLACK & WHITE IMAGES POWERCHROME K3

SUITABLE FOR EPSON STYLUS PRO PRINTERS

Product description

- High quality pigment ink with four different blacks available
- Perfect for those in the photo printing businesses seeking outstanding black and white images
- Wider colour gamut and high density with vivid and light magenta
- Outstanding highlight-to-shadow greyscale accuracy for smoother tonal range
- Improved pigment and resin chemistry creates a superior scratch resistance
- Excellent for fast printing mode and fast drying
- Excellent longevity and water-resistance
- Mix and match, plug and play with existing inks without flushing or replacing parts
